Part F: General Terms & Conditions of Business

- Listed below are our general terms and conditions of conducting business.
- The company will designate an Area of Operation for the Distributor at the time of entering the distributorship. The Distributor is required to restrict his operations to his designated Area of Operation only and should not venture beyond the area designated. However, subsequently, the Distributor can alter his Area of Operation but only after prior discussion with the responsible company official.
 - The company will appoint a Territory Sales Manager (TSM) to serve the Area of Operation designated to the Distributor. While the TSM will be the point of contact for the Distributor and should be able to resolve all queries of the Distributor, the Distributor can at any point contact the other sales officials of the company responsible for the area. Further, for any queries the Distributor can contact the Head Office of the company by sending email at customercare_uacisandb@universalagri.in or by calling the Customer Care Helpline at +91 8336922400.
 - In addition to the TSM, the company may appoint one or more permanent temporary sales team members to cover the area as it deems fit. The sales team members will primarily focus on conducting sales promotional activities in the area and engaging with existing or potential customers. The Distributor will be required to support the local sales team by guiding their sales promotional activities.
 - The Distributor can place his orders with the respective TSM either verbally or in writing or through any documented communication. A confirmation of the material ordered by the Distributor will be shared with him on his registered mobile via SMS/ Whatsapp at the time the order is entered into the company's CRM solution. In case of any issues, the Distributor is required to contact the TSM urgently when receiving the information.
 - The company will deliver material only against confirmed orders placed by the Distributor with the TSM. In case the Distributor ever receives any material not ordered by him, either in terms of quantity, packing sizes, or products, the Distributor is required to inform the company about the discrepancy, within 48 hours of receiving the material by sending email at customercare_uacisandb@universalagri.in. In the absence of any such emails or other documented communications, it will be assumed that the material received was as per order placed.
 - The company may deliver material at the location specified by the Distributor through 3rd party transporters either in full or part load at the cost of the company. At the point of receiving the material from the transporter, the Distributor will be required to physically inspect the material and check the quantity, weight and condition of material supplied.
 - The company will only dispatch material which are in saleable & good condition. So, if any damaged material is ever received by the Distributor, it is likely that the goods got damaged in transit. In such a situation, the Distributor should not accept the material and should urgently inform the respective TSM of the company about the damage. If the Distributor accepts the material from the transporter, it should be only under express instruction of the respective Territory Sales Manager. Further, the Distributor is required to send email at customercare_uacisandb@universalagri.in in this incident within 48 hours of receiving the material. In the absence of any such emails or other documented communications, it will be assumed that the material received was not damaged in anyway.
 - The Distributor may be required to pay to the transporter the freight charges as directed by the company at the point of accepting delivery only after inspection of material. The Distributor may be reimbursed the freight paid either by way of deduction from the bill or through a Credit Note.
 - If the Distributor reports to have received any material not ordered by him or any material damaged in transit, and the same is verified by the responsible company official, the company may take back the material in question and may make the appropriate adjustments in its books or accounts.
 - The company will send a hardcopy of the invoice along with the material. On receipt of the invoice, Distributor is required to reconcile the quantity, packing size and product mentioned on the invoice with the material received. In case of any discrepancy, the Distributor is required to inform the company about the issue within 48 hours of receiving the material by sending email at customercare_uacisandb@universalagri.in. In the absence of any such emails or other documented communications, it will be assumed that the material received is as per invoice.
 - The company will issue an official Price List of its products covering the area of operation of the Distributor at the beginning of each season. The Distributor is required to obtain a copy of this Price List either from the respective TSM or by sending an email at customercare_uacisandb@universalagri.in. The company will invoice its products only at the prices mentioned on the Price List. The Distributor should not expect any prices other than those mentioned on the Price List unless there is a documented communication of the same issued by the Head Office of the company.
 - The company may from time to time, issue benefit schemes covering the Distributor's area of operation. These benefits are typically linked to prompt payments and bulk sale volumes. The Distributor is required to obtain copies of these schemes from the respective TSM or by sending email at customercare_uacisandb@universalagri.in. The company will provide these benefits only by following the specific terms and conditions mentioned in the scheme. The Distributor should not expect any benefits other than those mentioned on the scheme unless there is a documented communication of the same issued by the Head Office of the company.
 - The company will only sanction the prices and benefits/ schemes mentioned on documented official communications issued by the Head Office of the company. The company will be under no obligation to accept any claims by the Distributor on prices or benefits/ schemes not mentioned on any official communications issued by the Head Office of the company for the Distributor's area of operation.
